- No. 4 COURSE is From starting line at Queen's Wharf, round outer Rock at Barrett's Reef, and back to starting line.

The course for half-raters, 14-foot, and 18-foot, and patikis is—From starting line at Queen's Wharf, thence to and round buoy at Point Jerningham, thence to and round buoy off Kai Warra Warra, thence to and round Dingey bearing flag off Queen's Wharf. Twice round. At final round finishing across starting line.

Starting of Second Races.—If the first race in any event be not finished by the advertised time for starting the second race, the following alteration shall be made: If two boats finish within one hour after the time for starting the second race the second race shall be started one hour and fifteen minutes after the advertised time. If two boats do not finish the first race within an hour after the proper time for starting the second race there will be no second race.

The Starting and Finishing Line shall be an imaginary line drawn between S.E. corner of Queen's Wharf and Destructor chimney.

Five minutes before the start a Blue Peter shall be hoisted.

After this signal, the yachts in the race shall be amenable to the rules. At the expiration of the five minutes EXACTLY the Blue Peter shall be hauled down and a gun fired as a signal to start.

In a start, if any yacht, or part of her hull, spars, or other equipment be on, or across the starting line before the signal to start is made, her recall flag shall be holsted, when she must return and recross the line; a yacht so returning, or one working into position from the wrong side of the line after the signal to start has been made, must keep clear of the competing yachts.

Should the gun miss-fire, the lowering of the Blue Peter shall be the signal to start.

For all sailing races in N. winds, the buoys used to mark course are to be kept on Port side, and in S. winds, on the Starboard side of yachts when rounding.

In the event of a shift in the wind, boats will keep the course on which they start.

The Sub-Committee in charge for the day shall have power to postpone any race, should unfavourable weather render such a course desirable. Letter N of the Commercial Code, hoisted in a conspicuous place at 10 a.m., shall be the signal that all races have been postponed.

In all races boats to cross finishing line not later than 7 p.m.

All races are subject to rules of the P.N.Y.C. re Starting, Postponements, Protests, &c.; and the classes are as follows: 1st Class, 5 rating and over; 2nd Class, 2½ rating and under 5; 3rd Class under 2½ rating and over 1. All Handicaps are sealed.
