EVER BEEN SNARKED?

Then the bowsprit got mixed with the rudder sometimes:
A thing as the Bellman remarked,
That frequently happens in tropical climes
When a vessel is so' to speak, "Snarked".

The above excerpt from "The Hunting of the Snark" or "An Agony in Eight Fits" by Lewis Carroll seems to catch the spirit(s) of this now famous (or infamous) Easter Regatta and the sub title would also appear appropriate!

Anyway, with the advent of this twentysixth Regatta we look forward to renewing our acquaintance with several hundred yachties who have survived many previous "agonies" and to meeting scores of new participants.

Traditionally, this Regatta is an affair of hard fought races in a variety of weathers and tides with a few local hazards (and helps) thrown in to add to the fun. Perhaps seldom is the old dictum of "a race not being lost till it is won" more applicable than to these races. So be on your toes and keep there till you hear that gun, and we hope it's yours.

It may seem trite to remark that the Rules of Yacht Racing are not framed to hamper you, but to enlarge the enjoyment of all by indicating the right procedure in every circumstance, and the astute use of the rules is a major part of the fun of the game. Sail hard and fair, but don't forget that the rights of others do not cease with the finishing gun; and in particular, may we be pardoned if we point out that the wilds of Paremata are changing to the responsibilities of suburbia - so play fair ashore too.

ONCE AGAIN WISHING YOU ALL HAPPY SAILING AND POTS OF FUN!

INFORMATION FOR COMPETITORS

Entries: All skippers must register and pay entrance fee at the Clubhouse by 9 a.m. on Friday morning.

The following entrance fees will be charged to cover all Regatta races except W.P.Y. and M.B. Assn. races:-

XYTR Class:	£1.	Z Class:	10/-
I Class:	£1.	Frostbites:	7/6
		P Class:	2/-

All boats will be classified as belonging to the class in which they first compete.

All boats must race under their class specifications. Handicap limits are as follows:-

XYTR Class:	10 minutes	Z Class:	15 minutes
I Class:	15 minutes	Frostbites:	20 minutes
		P Class:	15 minutes

The above limits will not apply to Monday's races. Crews are limited as follows:-

XYT Class:	3 or 4	Z Class:	2
R Class:	2	Frostbites:	2
I Class:	2 or 3	P Class:	1

Sail area of XYT Class limited to 250 square feet carried on the wind. All sails to be measured on the spars. Spinnaker boom limited to 12 feet 6 inches.

Conditions of races: 3 starters or no race; 4 starters or no second prize; 5 starters or no third prize; 6 starters or no 4th prize.

Handicap Events - Mark Foy Starts:- A number will be shown for one minute on starting frame for each competitor before finally away. In the event of a boat gaining an unfair start her number will be re-hoisted until she re-crosses the starting line. Class letters will not be shown on the starting numbers. Classes will be indicated by coloured flags, as under:-

XYTR Class:	Orange	Z Class:	Black
I Class:	White	Frostbites:	Green
		P Class:	Blue

e.g. the numeral "3" with Blue flag, represents "P3".

Flying Starts:- Numbers 1, 2, 3, 4 and 5 will be shown on starting frame, or 5 flags afloat, and will be lowered at one minute intervals, starting with 5 and working backwards. Any boat away

before the fall of the last numeral will have her classification number hoisted and will then have to return and re-cross the starting line before the starter will lower her number.

All boats must be afloat when the number of the limit boat of their class is hoisted, and no change of crew may be made after that signal.

All boats in handicap events are under the control of the Starter and the Judges when the number of the limit boat is hoisted, or, in a scratch race, when the 5 one minute flags are hoisted.

Skippers are asked to keep their boats clear of the Club-house when races are being started to allow competitors a clear view of the starting numbers.

Changes of Skippers must be notified to either the Handicapper or Regatta Secretary half an hour before the start of the race.

The finish of races will be acknowledged by the Judge on the finishing line by the report of a gun or whistle. Until you hear the signal, keep going, and if you think you are not credited with finishing, signal the Judge of the fact.

The Regatta races will be sailed under I.Y.R.U. rules, except where modified by the rules of the Paremata Boating Club and this programme.

All protests to be lodged in writing within 30 minutes of the finish of the protesting boat. A fee of 5/- to be lodged with the protest. The fee may be retained by the Club if the protest is considered of a frivolous nature.

Time limit for Regatta races is three hours.

The Club reserves the right to substitute for cash prizes any trophies donated after the programme has gone to press.

It is a condition of entry that the decision of the Paremata Boating Club shall be accepted as final in regard to the distribution of its own trophies and prize money.

All boats must carry their correct classification number unless they have the permission of the starter to carry another number.

Visiting boats from outside Wellington should, if possible, carry their port's distinguishing letter.

I Class: The I Class races will be run in two divisions if there are 35 or more entries. If entries fall short of 35, the I Class races will be run in one division at programme times as for "North Division", and prize money will be increased as follows:-

1st £2: 2nd £1: 3rd 15/-: 4th 10/-: 5th 7/6: 6th 5/-.

Should the entries fall short of 25, the prize money will be:-

1st £1: 2nd 15/-: 3rd 10/-: 4th 5/-.

R Class: R Class boats have been programmed to race with the XYT Class. However, should there be 6 or more R Class entries, the Club reserves the right to transfer them to separate R Class races, and to establish a scale of prize money therefor.

ACKNOWLEDGEMENT

The Paremata Boating Club would like to acknowledge the ever ready help it receives from so many quarters in staging its Easter Regatta each year. We are particularly indebted to our fine team of lady helpers, to the pick-up launch owners, to the starters, timekeepers and clerical assistants, to the radio team, to the Red Cross boys, and to those who have helped us with trophies and cash donations. We would also like to express our thanks for the assistance and support received from kindred Clubs. And to that large body of spectators (for whom, unfortunately we are unable to provide turnstiles!) we say "We hope you enjoy our show".
